### About the artwork

Cite Without Seeing is part of Sama Alshaibi's most recent body of work. Titled Tterss, the series marks Alshaibi's first exploration of the collage medium. The layering process combines archival imagery, and photographs she has taken herself, including images from her recent visits to her hometown of Baghdad using LiDAR technology. Together, these elements reimagine Baghdad's cityscape through Alshaibi's lens, lending the landscape a brand-new visual dimension while maintaining its historical and cultural traces.
