About the artwork

Polluted minds.
Polluted bodies.
We cannot breathe.
We cannot think.
What are these tears coming out of our bodies?
Nobody wants them.
Nobody cares.
Take them back.
As long as life exists around us, begging will not help.
We deserve to live, only if we learn how to breathe.
Do not try to find a meaning.
Keep that for human beings.
Instead, learn from other beings.
Learn to respect the same creator of the insect and the human being.

Because perhaps the moment we decided that one creation was more important than another,
was the moment we forgot how to breathe.
